

# Lockport Street Construction Detour and Alternate Route Information

Lockport Street will be closed to westbound traffic between James Street and Route 59 from Mar. 24, 2008 to Oct. 31, 2008. Alternate routes for commuters include Route 126 (Main Street) and 143<sup>rd</sup> Street (new U.S. Route 30). Eastbound traffic will be maintained. The map below illustrates what turn movements will be permitted and restricted with the detour.
