

DOWNTOWN PLAINFIELD ... ON THE RISE!

LOCKPORT STREET in downtown Plainfield is experiencing a dramatic transformation, as the street's century-old utilities are being upgraded and the road is reconstructed to create an enjoyable, pedestrian-focused shopping, dining and service environment.

Join us as we descend into a *new downtown!*

A Message from the Pilot

We continue on our final approach to a safe and on-time landing at our beautifully reconstructed Downtown Plainfield. The runway will soon be paved with the final layer of asphalt. Patience will be needed while we taxi to the gate, as the concrete raised intersections are constructed at Fox River, Des Plaines and Illinois Streets. Local traffic will be shifted to side streets on a block-by-block basis during construction of the raised intersections, and through traffic is encouraged to use Main Street/Route 126. As October progresses, look for the installation of landscaping, speakers for the audio system, and the decorative wayfinding and street signs.

Please note, the "Shop Downtown" sign has been illuminated and you are free to move about the downtown during construction.

A Message from the Flight Crew

Fly in for Spooktacular Rock the Block in Downtown Plainfield Saturday, October 25, 2008 9AM to 11PM

Enjoy an action packed day full of fun for the whole family! The day's activities include arts and crafts, games, trick-or-treating, hay rack rides, pie bake-off contest, ceramic and pumpkin painting, music, in-store and restaurant specials as well as freebies and give-aways at participating businesses. Stick around for the evening tricks as we Rock the Block with Jazz, Swing, and Blues Bands. Go back in time and learn more about downtown's rich history during the Historic Walk. Join the downtown wide costume party as you move from place to place enjoying food and drink specials and tastings. Check out the MainStreet website for a full listing of the day and evening's events at www.mainstreetplainfield.org.

For details on these events and more, visit us on-line at www.plainfieldstreetscape.com
